You know I like to write your name with spring in the offing. It makes me think of daffodils and May flowers.

This is good news, or it may prove to be bad news for us; we are coming in from Lincoln Sunday morning on the Northwestern and will arrive at Ames about noon.

We will be with you Sunday and Monday, leaving Monday night after the game for Des Moines. We will have 12 in the party and our usual accommodations will be desired. We trust you will have room for us.

Dear Mr. Henry:

We note that your Basketball Team is scheduled to play Iowa State College at Ames on March 3rd and are wondering at this time whether or not you may do as some of the Universities have done, which is to plan to have their team stay in Des Moines and drive to Ames for the game.

If this is so, we wish to submit to you our special athletic rate which is \$1.50 per day per person in rooms with twin beds and bath, each room to accommodate only two persons. This entitles your boys to the nicest rooms we have to offer.

We will look forward to the opportunity to being of service to your school at the above time and will assure you that your team would find the above accommodations comfortable in every way.

Please advise us if we may make reservations for you, also as to the exact date and time of their arrival.

Hoping to be of service to you in the near future, we are

Mr. E. L. Wilbur, Manager
Hotel Lincoln
Lincoln, Nebraska

Dear Mr. Wilbur:

In reply to your favor of the fifteenth instant, I am very sure that you may count on the presence of the University of Kansas basketball team at your hotel on March 1.

We are to play at Ames, Iowa on March 3 so we will stay all night in Lincoln and catch the train out next morning.

The date that you mentioned in your letter of February 24 is not correct. I would suggest that you call Mr. Harold Browne of the University of Nebraska or Mr. Lewlendowski and ask them for a copy of the Big Six schedule for 1940-41. Then you may write the other coaches for the correct dates.

I might say that according to my schedule, Kansas State plays at Lincoln on January 7; Oklahoma at Lincoln on January 13; Missouri at Lincoln on January 20; Iowa State at Lincoln on February 1; Kansas at Lincoln on March 1.

I trust these dates are correct. We will let you know the number of accommodations we desire at a little later date.

Is it necessary that we make a decision now?

Very cordially yours,

Director of Physical Education and Recreation

Dear Mr. Hodges:

I beg to acknowledge receipt of your favor of the 13th instant, stating that we had not replied to your previous inquiry regarding our staying in your hotel when we come to Lincoln on March 1.

First I want to say that we stayed at your hotel when the Big-Six Track and Field Meet was held in Lincoln last May and we enjoyed the same very much. For years we have always stayed at the Hotel Lincoln and they have given us such courteous and efficient service that we do not feel like making a change.

If there was any reason for our changing, we certainly would be happy to consider your hotel.

Thank you for your good letter of the 8th instant regarding our hotel accommodations for January 20 at Manhattan.

We desire accommodations at your Hotel Gillett for the early afternoon of the 20th. Last year we stayed at the Gillett and it was quiet and we enjoyed it. We would appreciate it if you would make reservation for 12 men.

I believe the arrangement we had last year was that we had double beds; two men to a room. If this is agreeable we will be glad to hear from you.
