

October 4, 1939.

Mr. Kenneth S. Adams, President,
Phillips Petroleum Company,
Bartlesville, Oklahoma.

Dear "Boots":

Mr. McBride is in New York now attending the World Series, but when he comes back you may rest assured that I will do all I can for you and your basketball team.

I was in Mac's office talking to him when Chuck Hyatt was there, but missed seeing Chuck. If there is anything you or Chuck want in which I can be of material benefit, all you have to do is command me. It will be a pleasure to help you and the Phillips team.

We are looking for Mary Louise to visit Eleanor real soon. I overheard a conversation between Mrs. Allen and Eleanor that Mary Louise was coming up, but I don't remember the date. It is always a pleasure to have her in our home because she is so full of pep and animation. It gives the old folks a pick-up.

Yes, I did know that Mary Louise went Pi Phi, and much to our surprise Eleanor went Kappa. If I remember correctly, a year ago Eleanor talked Pi Phi and Mary Louise Kappa. Anyhow, they crossed us up, and kid-like ran true to form, surprising the old folks.

Next time you write tell me about that boy at Culver. I imagine he is getting heavier and tougher, and ought to make a good place on that football team.

And don't forget to say hello to that young man whom I have always admired - Paul Endacott.

With best wishes to the Adams family, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
