The Jayhawk Coach

Dr. Forrest C. Allen

Twenty-one conference championships in 27 years of coaching is the record of Dr. Forrest C. Allen, basketball coach at the University of Kansas. He is the dean of basketball coaches in the United States, having been in the coaching game since 1908.

Dr. Allen played his high school basketball at Independence, Mo. and it was there that he first met Dr. James Naismith, inventor of the game of basketball, and coach at Kansas then.

In 1904 Dr. Allen entered the University of Kansas. During his college career, he lettered in basketball in 1905, 1906 and 1907 and in baseball in 1906 and 1907.

The following year, 1908, saw Dr. Allen off to a successful start as a coach, with a championship basketball team at K.U. His second Jayhawk team made even a better record in winning another championship the next year, marking up ten conference victories against two defeats.

The same season, Dr. Allen was coaching the Haskell Indian "National Aboriginal" team which won 19 of 24 games and the cage team of Baker University, 20 miles away.

This concluded Dr. Allen's coaching efforts for three years, while he pursued the study of medicine. In 1912 he became coach of all sports at Missouri State Teachers College at Warrensburg and his service as a coach has been continuous from that date.

In his first year at Warrensburg, Dr. Allen's football, basketball and baseball teams were undefeated and the basketball team started a series of championships which was unbroken during his seven there.

In the fall of 1919 he became director of athletics at the University of Kansas, and before the basketball season was over was coaching that sport. Missouri was dominant in basketball at the time, but by 1922 the youthful Jayhawk mentor had brought Kansas up to a tie with the Tigers, each team losing a single game of the 16-game conference schedule.

The remaining six seasons of the old Missouri Valley conference yielded Kansas five championships, the one in 1923 without a defeat. This season was notable, also, as being in the midst of a winning streak of 34 consecutive conference games, ended, finally by Oklahoma, which in 1928 moved into championship position.

Oklahoma carried over its winning ways into the Big Six conference and held the leadership in 1929; Missouri won the next year; then Kansas, under Dr. Allen, swept the next four years. The 1935 championship went to Iowa State, coached by Louis Menze, a pupil of Dr. Allen's at Warrenburg.

In 1936 the Jayhawks blazed through their regular schedule without defeat, winning eighteen consecutive games. In the regional Olympic tryouts Kansas defeated Washburn and Oklahoma A. & M. to qualify for the semi-final eliminations.

In that series of games the Jayhawks played Utah State and won the first game, but at a great cost. Francis Kappelman, all-conference guard, suffered a deep cut across his knee, when he ran into a wire supporting one of the goals and was lost to the team. Without him Kansas could not keep pace with the sensationally shooting Utah State team and lost the next two games.

Last year Kansas and Nebraska tied for the championship.

1936-37 Individual Records

Following are individual records for last season of those men who are back in action this year. Since four of the five Kansas regulars graduated, the Jayhawks are depending upon sophomores and men who did not play much last year to supply the scoring punch.

Personal Sketches
University of Kansas Basketball
1937-1938

CORLIS, LYMAN- forward- 20 -home, Lawrence; graduate of Topeka high school, 1935; coached by "Buck" Weaver. Lettered last season as a sophomore. Is a polished player. Has not hit his scoring stride yet, but may burn up the court before the season is over. In early games, he has usually been one of the starting forwards.

DURAND, FENLON- forward or guard- 19 -home, Junction City; graduate of Junction City high school, 1935; played under Coach Henry Shenk, former Lawrence high school and K.U. star who has developed many great teams at Junction City. Lettered last year,his sophomore year. A valuable replacement. Big Six champion in the javelin throw.

EBLING, DON- forward- 19 -home, Lindsborg; graduate of Lindsborg high school, 1936; prepped by Coach O.C. Ostenberg, now coaching very successfully at Great Bend. On first freshman basketball team last year. Brother of Ray Ebling, Kansas' All-American forward who graduated in 1936, and a fine basketball player in his own right. May battle his way into the first five before long. A halfback on the 1937 Jayhawk football team. Threw the pass which gave Kansas a 6-3 victory over Oklahoma.

FLORELL, LOREN- forward- 20 -home, Topeka; graduate of Topeka high school, 1935; played under Coach "Buck" Weaver, along with Corlis. Attended Washburn College a year after graduating from Topeka high. A member of the K.U. freshman team last year. Tallest man on the squad at 6'4", he has developed sensationally on long shots. Has two years of competition left, after this one.

GOLAY, GEORGE- forward- 19 -home Warrensburg, Mo.; graduate of Warrensburg high school, 1935; coached by "Bud" Kennedy, son of Dr. A.R. Kennedy, K.U. football coach from 1904 to 1911. Lettered as a sophomore last year. Built nicely, standing 6'3" tall and weighing 184 pounds. Inconsistent in his shooting, but a dangerous man. Has been getting the starting call at one of the forward posts.

HARP, RICHARD- guard- 19 -home, Kansas City, Kan.; graduate of Rosedale high school in Kansas City, 1936; coached by Roscoe Brown. Was as much of a standout on the Jayhawk freshman team last year as he was in high school. A great offensive guard and a fine defensive player as

well. Started the season as a reserve, but fought his way into the starting lineup and is sticking there. A good long shot man.

HUNT, ROBERT- center- 19 -home, Lawrence; graduate of Lawrence high school, 1936; played under Coach Edd Wood. Shortest man on the Kansas team at 5'5". Did not make a very impressive showing on the freshman team last year, but is looking good this season.

JOHNSON, CARL- guard- 19 -home, Kansas City, Mo.; graduate of Northeast high school in Kansas City, 1935; coached by Reaves Peters. Center on the Northeast team which won the state high school championship in 1935. Played a year of independent basketball before entering K.U. Standout on the Kansas freshman team last year. A first string man at the start of this season, but a knee injury has cost him his place.

KAPPELMAN, LESTER- guard- 20 -home, Lawrence; graduate of Lawrence high school, 1935; played under Coach Edd Wood. Brother of Francis Kappelman, who starred on three Kansas basketball teams, finishing up in 1936. A fine ball handler and a good shot. Lettered last year, as a sophomore. Also lettered in baseball, where he was first team shortstop.

PRALLE, FRED- guard- 21 -home, St. Louis, Mo.; graduate of Beaumont high school in St. Louis, 1933; coached by Ray Polster. Starred on the 1934 K.U. freshman team and was out of school the following year. First string guard on the 1936 Kansas team which went through its regular season undefeated. An all-Big Six guard that season and again last year. A great defensive guard and a potent scorer. Good on beautifully arched long shots and also good at driving in hard for setups. Played third base on the Jayhawk baseball team last spring.

REID, BRUCE- center or forward- 19 -home, Arkansas City; graduate of Arkansas City high school, 1936; prepped by Coach Everett Nicholson. Another in the long line of crack basketball players coached by Nicholson who have played at K.U. One of the best sophomores. An outstanding ball handler, so is frequently used at the "quarterback" position.

SCHMIDT, SYLVESTER- center- 22 -home, Marysville; graduate of Marysville high school, 1933; played under Harold Stover. A star on the 1935 Kansas freshman team, but could not hit his stride as a sophomore. Got going last year and alternated with Roy Holliday at the "quarterback" position. Outstadning as a ball handler and a tenacious defense man. Runs the team coolly and calmly.

SULLIVAN, NELSON- forward or center- 22 -home, Kansas City, Kan.; graduate of Wyandotte high school in Kansas City, 1933; coached by Percy Parks, K.U. grad, whose teams are perennial conference champions. Played two years at Kansas City, Kansas Junior College and then played a year of independent basketball. Did not stand out on the Jayhawk freshman team last year, but got going this winter. Is fast as greased lightning, a tricky passer and a dangerous man around the basket.

LAWRENCE, Kan., March .---Ninety players had at keast some part in the Big Six basketball games in the season just closed, participation ranging from the scoring of Groves of Kansas State, who set a new record of 154 points in 10 conference games, down to some subs who had a few minutes participation, but did not figure in the scoring at all.

In the 30 conference games, points totalled 2089, and by odd co-incidence, six of the 30 games were won with scores of 39. The six teams made 1632 points in tjeie non-conference games .

Kansas, while scoring low totals, held opponents to even lower levels, and had a season's "offense ratio" ---ratio of points to oppoents--of 1.30. Kansas State had a decidedly even year, winning four of eight non-conference games, five out of 10 conferenfo tilts, and scoring a total of 705 points to 708 for the opponents.

All teams made more than half their chances for free throws, and Oklahoma did better than two-t irds. Individually, three of the 90 players had perfect records for the season in free throws, Nelson of Oklahoma missing none in nine chances; Durand of Kansas missing none in seven; and Rushmore of Iowa State coming through on both his free throw chances. Flemming of Iowa State made the most free, 58, and missed 29, giving him a percentage of .667.

Based on reports to Dr. F. C. Allen, secretary of the Big Six, are the following team averages:

LAWRENCE, Kans., March.....-- Spring football practice at the University of Kansas will get under way Monday, with 60 or 75 expectedto be out. Coach Adrian Lindsey, with the new assistant coach, Glenn Presnell, will drill the men on the fundamentals of the game.

Practice this spring will probably last six weeks, and during that time Coach Lindsey expects to get a pretty fair idea of next year's prospects, and start making his selections for filling positions left vacant by Wade Green, Bismarck, N. D., end; Joe Giannangelo, Monongahela, Pa., quarterback; George Hapgood, Clay Center, quarterback; Dave Lutton, Bartlesville, Okla., center; and John Seigle, Cottonwood Falls, end. These men completed their competition last year.

Members of the freshman squad will practice with the varsity.
