

January 26, 1942.

Mr. Arthur Morse,
10 So. LaSalle St.,
Chicago, Illinois.

Dear Arthur:

I will come right from the train to the hotel, and if you will leave word at the desk where you are meeting I will go there immediately and bring some football boys who are on the basketball team. This will give an added publicity slant to the basketball attraction.

Of course, at the alumni gathering that night the occasion can be used to build up the game the following night. Any way that I can cooperate with you in making the game more attractive will be a pleasure to do so.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
