Mr. Paul Mattei
Director of Athletics
DePaul University
Chicago, Illinois

Dear Mr. Mattei,

We had Sam Pecorara work for us two or three years ago, I believe, in the Loyola game. We were not too enthusiastic about his work.

We'd like for you to get Ike Craig and Lyle Clarno. As an alternate, I'd suggest J. Enright. These are the men we prefer in this order.

If you cannot get these men, please let me know and I'll endeavor to make another selection.

Very sincerely yours,
