Dear Dr. Allen:

I thank you for your letter of May 7th. You owe me no apology, as you have in the past been most prompt and courteous in your responses to our communication.

In your last paragraph of your letter you refer to the 28th, I presume you are referring to the 28th of January. We do not play on the 28th, but we do play on the 31st, and I would be only too happy to extend the invitation for that date. I believe that this is immediately after your examination period and as it is on a weekend I am hopeful that you might be able to make that date.

On this Double Header you would play Loyola, or if you prefer, I imagine that arrangements can be made for you to play De Paul. I suggest Loyola only because the rivalry created by the last two seasons is an interesting one and possibly should be maintained.

I would appreciate hearing from you at your earliest convenience.

With very best regards, I remain

Very sincerely yours,

*W. H. Huer*
