Dear Dr. Allen:

I suppose You have been waiting for the contracts for our basket ball game for the coming season. As soon as our faculty representative comes back from his summer vacation I will have the contracts drawn up and sent to you.

Our building is progressing nicely and I think we will have one of the finest gymnasiums in this part of the country. There is also a great deal of enthusiasm in this part of the state for the game. I know it will be a real privilege for all of us to have you and your team here.

Hoping that you are having an enjoyable vacation.

Sincerely yours,

Otto D. Unruh
