Mr. Eugene C. Zachman, Director,
Municipal Auditorium,
Kansas City, Missouri.

Dear Gene:

Thank you for your letter and your good wishes regarding a Merry Christmas and a Happy New Year. May I reciprocate by wishing you the very best of Yuletide blessings.

I also thank you for the carbon copy of the letter that you have written to Lt. Commander Robert A. Brown, at Great Lakes, Illinois. Lieutenant Hall came in to my office and we talked over the details of the game very thoroughly. And if and when the Big Six faculty representatives give us permission, I am sure that we will draw a fine crowd in Kansas City.

It was an unusual coincidence, was it not, that February 5th is the only date that you would have open?

I believe that the Big Six may grant permission. Lt. Hall called me Monday and I gave him all the data that would permit Lt. Commander Brown to take it up with the officers of the Big Six Conference. I told him that as soon as they got permission I would get in touch with you and we would sign a contract for the hall. I will appreciate your holding it until they can notify us as to the action of the Big Six Conference.

Thanking you for your cooperation, and with all good wishes, I am

Very sincerely yours,
