Dear Phog:

I am enclosing contract for basketball game to be played at Iowa City on January 29, also with the stipulation we play a return game at Lawrence the following year. In the past we have played road games between December 18 and December 23, and I was wondering if you would be willing to play us at Lawrence some time between this period.

I am anxious to agree upon the officials for our game this coming season, and I would like to have you recommend an official from the Big Six. I in turn will endeavor to get the second official from our Big Ten Conference.

I recommend Gil McDonald who worked your final game at Kansas City a year ago, or Bill Haarlow from Chicago. If you have any other preference, kindly advise.

Very sincerely yours,

R. F. Williams
