Mr. Rollie F. Williams
Basketball Coach
The State University of Iowa
Iowa City, Iowa

Dear Rollie:

I had tentatively scheduled a game in Chicago for January 29th. However, if you would be interested in a home and home game with a reciprocal guarantee, I would be happy to play you.

I have always believed that the home and home series promotes a much better relationship between both schools than the playing of one game at one or the other places. I would be happy to meet Iowa in two games next year and doubtless our games would ripen into fine relationships for both outfits.

Iowa has been represented at every one of our Kansas Relays in very emphatic numbers and has produced some fine competition. Since you are in our territory and we are in yours, why not try it out once?

Please reply at your earliest convenience as I will withhold the closing of the 29th date until I hear from you.

Sincerely yours,

Director of Physical Education and
Recreation
Varsity Basketball and Baseball Coach
