Dear Sir:

St. Mary's is planning a southern trip for its basketball club for next season, and we are interested in scheduling a game at your school.

We will leave Winona on or about December 15th, and return shortly before Christmas. Would you please inform me if you are interested in scheduling a game with us, and if so, please give me the dates on which you would be able to play, making first and second choises as to dates?

St. Mary's Basketball team won the Minnesota College Conference Championship this season. Several of this year's team will be back for next season, and so we will provide a good game. I hope that you have had the best of success with your team during the past season, and will have the same during future seasons.

Very truly yours,

Edward D. Suech

DEPARTMENT OF PHYSICAL EDUCATION
University of Kansas

April 1, 1941

Dear Varsity and Freshman
Basketball Players:

Re: Kansas Relays. We have invited a great group of outstanding basketball players in Kansas high schools to come up to the University the morning of the Kansas Relays, April 19, and shoot some goals with our Varsity and Freshman players. A large number of these high school boys have enthusiastically responded to be present here Saturday morning, April 19, at 10:00.

Doubtless some of you will be busy the morning of the Kansas Relays, but we would like to have as many of you as possible come up to the gym and work out with these high school visitors. It would be well for you to be here about 9:30 so you would be suited up and ready before the high school boys arrive.

I am appointing each of you as a committee of one to introduce yourselves and make these high school boys feel at home. The Varsity and Freshmen will wear Varsity uniforms and we will just work out with these high school boys.

Correction: Previously I wrote to you and stated that the Kansas City Relays Club of Kansas City, Missouri, was giving a banquet for our Basketball Team and the Freshmen living in or near Kansas City. I find now that this will be an after dinner get-together instead of a banquet, so it will be necessary for you to eat at home before leaving. Coach Gwinn Henry and the football staff are also going down. They suggested that we leave about a quarter of seven. However, if any basketball players are playing baseball, we perhaps could take one car and start a few minutes later, say 7:00, which will give us a little more time to dress. The get-together will be held at the University Club, 918 Baltimore Avenue, Kansas City, Missouri. Coaches Henry, Hurt, Lansing, and Replogel will drive cars. Please let Miss Gerstenberger know whether or not you plan to attend this get-together.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
