Mr. Forrest Allen  
Basketball Coach  
University of Kansas  
Lawrence, Kansas

Dear Phog:

Just a line to tell you that we might be coming through your territory and have an open date on December 10, on the way to New York. Would you be interested in playing us on that date in Kansas City? I would like very much to have our schools start relations in basketball.

With best regards, I am,

Yours sincerely,

Howard Hobson  
Basketball Coach
