Mr. Forrest C. Allen
Varsity Basketball Coach
University of Kansas
Lawrence, Kansas

Dear friend Allen:

Received your letter written just before you left for Atlanta, and I hope that you will be able to come to Champaign on one of the two dates mentioned in my previous letter.

The coaches of this state have asked for you, in preference to all other coaches, to give the lecture on our clinic program which will be held on the day of the game. We expect to have about 800 coaches from the entire state of Illinois, and we have found this to be a very worthwhile thing for basketball.

Please let me hear from you as soon as you have made your decision.

Sincerely yours,

Doug Mills
