Dear Dr. Allen,

I am writing to inquire if you can fit the Mines into your basketball schedule around December twentieth, in Lawrence.

We are attempting to send the team into the midwest during the Christmas holidays and would like very much to play there. The boys seemed highly impressed with your team last season and felt they learned a lot of basketball when they played them at Topeka.

I have just taken over here, Mr. Butler having returned to Greeley. I have followed your basketball successes at K U with a great deal of interest and of course feel it would be an honor to include you in our schedule.

May I hear from you at your earliest convienence in regard to the possibility of arranging this game.

Very Sincerely, Charles Finley, Athletic Director

My boys have enjoyed the two games with you the past two years as they feel that they can learn a lot from your splendid teams. I would like to congratulate you again on the very successful season that you have enjoyed this year. May the same success by yours again next year.

If you would like such a game for the coming season, I would appreciate it very much, and I think we could make a creditable showing.

Dear Mr. Allen:

We are working on a schedule of basketball games that will take our team into the mid-west during this coming season. Our faculty committee has granted permission for the squad to be away from the campus from December 20th to January 13th.

We have arranged for a game with the University of Illinois for either December 23rd or 28th and with the University of Minnesota for January 4. Other commitments are only tentative. We would be very much pleased to include a game with your institution if at all possible. Whatever financial arrangements are involved will be gladly reciprocated if you ever plan a trip west and need a game in Missoula when we are available.
