## Saturday Morning, April 17, 1943

THE INTERSCHOLASTIC MEET is run in two classes, for high schools of Kansas only. More than 200 enrollment classes a school as A and all other schools are classed as B. A special cup will be awarded to the high point team in each class and ribbons will be awarded the first three place winners in each event in both classes. First place in each event counts 5 points, second 4, third 3, fourth 2, and fifth 1. In the relay races and the quarter mile, half mile, and mile runs, heats will be run, with the winners being determined on the basis of comparative times. An entry fee of 25 cents per man is charged.

## ELIGIBILITY

In the state championship and regional meets, or in any approved preliminary meet, a boy may not enter more than three individual events and one relay, or two individual events and two relays; provided, that he may not run more than one race of 440 yards or more, whether it be in an open race or a lap in a relay, and if he runs such a race he may not compete in more than one relay in addition. (This does not prevent him from competing in his full quota of events from the other events listed). A boy may not be permitted to compete in more than two relays, under any condition.

Preliminaries in both dashes and hurdle races, and in all field events, will start at 9:30 a.m. Drawings for all races will be made at starting points 15 minutes previous to starting time.

Class A and B Pole Vault and Broad Jump conducted together. All other field events conducted simultaneously but in separate classes.

Each school is limited to not more than two men in any one event.

Trophy for Class A High School by Snowden-Mize Athletic Goods Co. Trophy for Class B High School by K. U. Athletic Association
