Dear Dr. Allen,

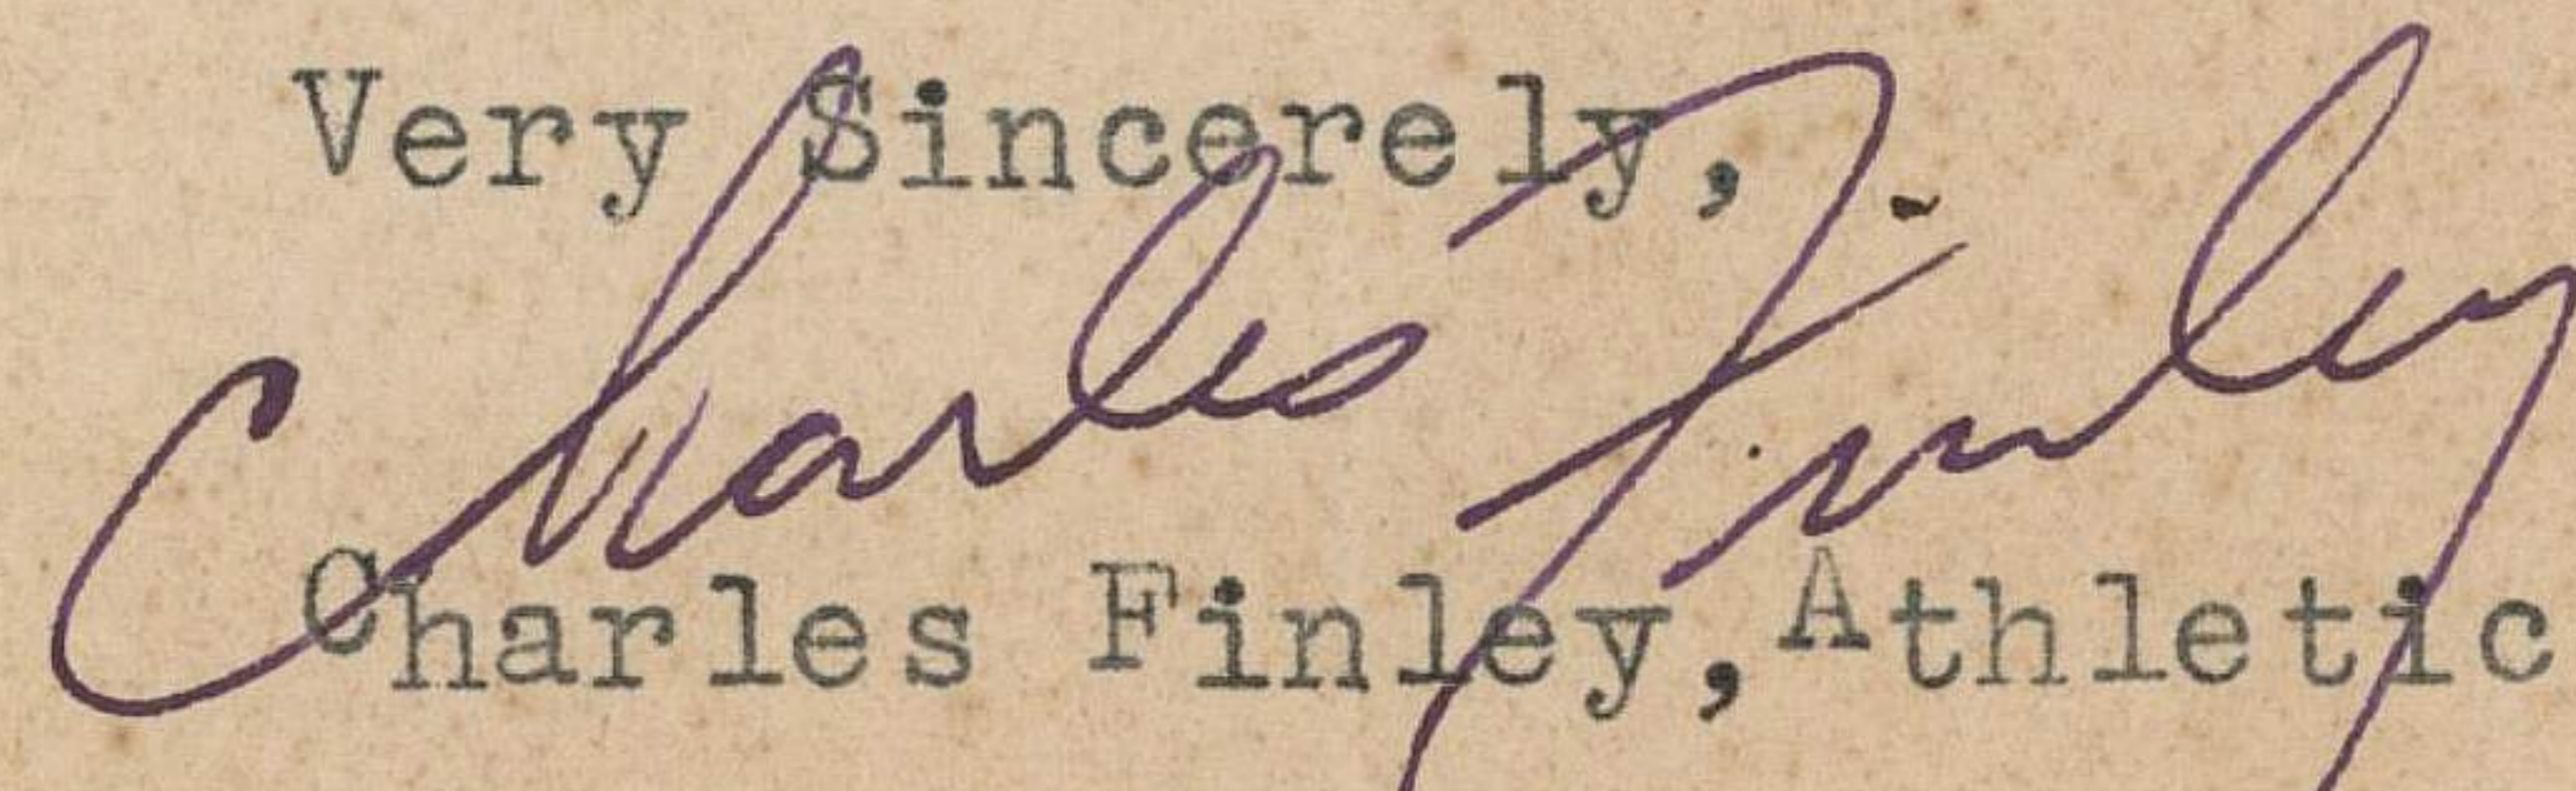

I am writing to inquire if you can fit the Mines into your basketball schedule around December twentieth, in Lawrence.

We are attempting to send the team into the midwest during the Christmas holidays and would like very much to play there. The boys seemed highly impressed with your team last season and felt they learned a lot of basketball when they played them at Topeka.

I have just taken over here, Mr. Butler having returned to Greeley. I have followed your basketball successes at K U with a great deal of interest and of course feel it would be an honor to include you in our schedule.

May I hear from you at your earliest convenience in regard to the possibility of arranging this game.

Very Sincerely,

Charles Finley, Athletic Director
