Basketball Coach
University of Kansas
Lawrence, Kansas

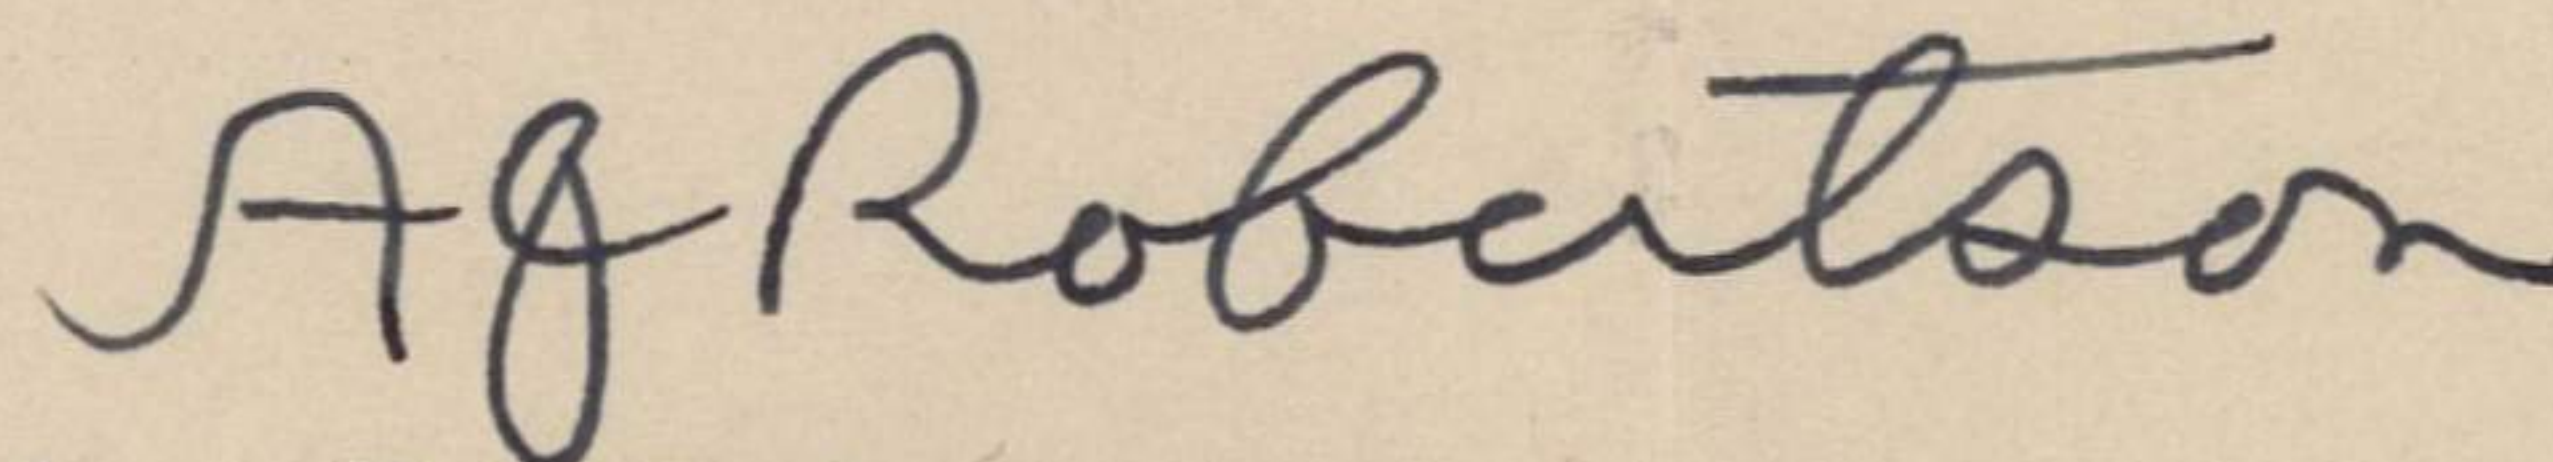

Dear Mr. Allen:

Referring to our conversation at the time of the National Basketball Coaches Convention at Kansas City, we would like very much to bring the University of Kansas to Peoria for a basketball game.

We would like to know what guarantee you would require to meet us here in Peoria and would like to have your suggestions for dates on which you might be able to come.

The way our schedule is shaping up, the following dates fit in with our schedule: February 18 and 19, any date between February 25 to March 1 inclusive, and March 4, 5 or 6.

Sincerely yours,

A. J. Robertson
Director of Athletics
