Mr. Forrest C. Allen
Basketball Coach
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

We are working on a schedule of basketball games that will take our team into the mid-west during this coming season. Our faculty committee has granted permission for the squad to be away from the campus from December 20th to January 13th.

We have arranged for a game with the University of Illinois for either December 23rd or 28th and with the University of Minnesota for January 4. Other commitments are only tentative. We would be very much pleased to include a game with your institution if at all possible. Whatever financial arrangements are involved will be gladly reciprocated if you ever plan a trip west and need a game in Missoula when we are available.

Thanking you for your consideration and an early response, I am

Sincerely yours,

Kirk Badgley
Athletic Manager
