Dear Coach:

I understand that you are traveling to the East for several games this year. Would you be interested in stopping off at Buffalo and playing Canisius. We have played Stanford with Bunn, Nebraska, Cornell, Notre Dame etc. and would be delighted to have you stop en-route to New York. We could also show you an added attraction at Niagara Falls.

If you are at all interested please drop me a line immediately.

Sincerely,

Al. Seelbach.
