Dear Fogg:

Thanks for your reservation for the University of Kansas basketball team. We will have all rooms in readiness for you when you arrive.

We are making you a special rate of \$1.75 per person or \$3.50 for the room with twin beds. I believe last year we made a rate of 25ϕ less, however no use of me going into a lot of detail to tell you of the increased cost of operation and I am sure that 25ϕ per person additional will be agreeable with you. This is in line with what we are making all the other teams.

Incidentally, the luncheon for the Wichita University and Kansas University Alumni is being held at our hotel.

Thanks a million and I'll be seeing you.

Cordially yours,

Dear Coach Sterrett:

I beg to acknowledge receipt of your favor of the 22nd instant informing me that you have secured O'Sullivan and Hinshaw for our regular game on February 2nd. This is satisfactory.

we have always played a "B" game, and have permitted you to play your freshmen, if you so desire. This gives us an excuse to take our entire squad to the game and they enjoy it very much. How would Monk Edwards and some of the high school coaches do for the officials for that game?

We will come into Wichita on the streamliner Sunday night, having ridden from Chicago that morning.

Won't you write me regarding the officials for the "B" game?

Sinoorely yours,

Director of Physical Education and Recreation, Versity Besketball and Besebell Coach.

MEN'S, WOMEN'S AND BOYS' APPAREL 111 WEST DOUGLAS --- WICHITA, KANSAS

January 12, 1942.

Mr. Phog Allen, c/o Educational Department, Kansas University, Lawrence, Kansas.

Dear Phog:

On February 2, your team plays Wichita University at the Forum and on that day the K. U. Alumni have arranged with the W. U. Alumni to have a joint luncheon in honor of both basketball teams. We are holding this luncheon at the Allis Hotel at 12:15. We expect around three or four hundred guests.

Fred Ellsworth wrote me several days ago saying that he had spoken to you about this, but I thought it best that I write you personally to give you all the details of the meeting.

I would like both the A and B squads to attend, and I would like very much to have you make a short address to the gathering, 15 or 20 minutes being the time allotted.

Will the Athletic Fund pay for the boys' lunches or are we to pay for them? The hotel is charging us 75 cents a plate and any help would be greatly appreciated by our organization.

The Kansas Alumni in Wichita number close to nine hundred, and they are mighty active and interested, and believe me, Phog, they are 100% behind you and K. U. and every team that the school puts out no matter how it fairs. Awaiting your immediate reply. I am

Sincerely yours,1

Manager, Allis Hotel, Wichita, Kansas.

Dear Sir:

Our University of Kansas basketball team is coming again, as we do each year, to play the University of Wichita. We will play there on February 2nd. Will you kindly reserve rooms with twin beds (two persons to a room) for the boys? There will be about 20 in the party.

Heretofore Mr. Jack Copeland has spoken to you ahead of time about our arrangements, but I understand he is in Hollywood at the present time. I trust you will give us your usual good service.

Sincerely yours,

Director of Physical Education and Recreation, Varsity Basketball and Baseball Coach.

Dear Henry:

I just received in this morning's mail a letter from E. C. Quigley saying that he is to work another game on February 2nd, and that he will not be available for our game in Wichita.

He had asked for the game in Wichita on the 2nd, but apparently had a lapse of memory.

Very sincerely yours,

On next Saturday night when we play Kansas State here we are going to have some movies taken of the game. Dear Jaoks

I understand that E. C. Quigley is free on February 2nd, and since you have had much to do with the promotion of our game with the University of Wichita, I just wanted to tell you of our desire to use him as one of the officials if this is satisfactory with the Wichita people.

I have written to Henry Levitt on this matter, and have asked him whom he would suggest for the other official.

Will you check up with the powers that be and see what suggestions they have for officials? We are playing A and B games.

Very sincerely yours,

Doar Henry:

I understand that E. C. Quigley is free on February 2nd, and since you have had much to do with the promotion of our game with the University of Wichita, I am writing to tell you of our desire to use him as one official if this is satisfactory with you. Quigley is well-known and well-liked, and I am sure that he would be a drawing card.

Whom do you suggest for the other official?

Congratulations upon the election of Ralph Oraham as athletic director: When will be report for duty? I would, of course, have taken this up with him, but I was not sure when he would take over his duties with the University of Wichita.

You will recall that we are playing A and B games. I feel that this helps the squad - it is important only to the boys who play.

I shall be glad to hear from you at your early convenience.

Very sincerely yours,

Mr. Jack Sterrett,
Basketball Coach,

Dear Jack:

Since our correspondence last July I have heard nothing from you regarding officials for our game at Wichita on February 2nd.

I have just learned that E. C. Quigley will be available on that date, and if it is satisfactory with you we will be very happy to use him. Whom do you suggest for the other official.

I shall be happy to hear from you at your early convenience.

I would appreciate any suggestions you have in regard to officials for our game at Wichita on February 2.

I have the following in mind: Parke Carroll, Ted O'Sullivan, Ab Hinshaw, Andy Stardski, Grable Duvall. Would you please check any of these men you would like to have, or supplement any you wish.

I am sorry that I did not get to this sooner, but I will get right out and get these officials lined up at once.

Doctor Dorrest C. Allen, Director of Physical Education, Kansas University, Lawrence, Kansas.

Dear Doc:

I received a letter from E. C. Quigley, in which he states that he will be unable to work the basketball game here on February 2nd, due to a previous engagement. He is working the Kansas State-Nebraska game.

Previously however, Starret on your recomendation had engaged Ted O'Sullivan and Ad Hinshaw for your game. I hope this is satisfactory.

I will not have the management of your game here this year. The school has taken over the management of the game, but I am sure they will fulfill all the terms of your contract. Starret understands that there are to be two games with your A. and B. teams. I hope that you will not be too rough on our boys. Frankly, the team has made a very poor showing this year as you know, and I hope the score will not be too lopsided.

If there is anything in connection with the game that I can do for you please see fit to call on me. I will be looking forward to seeing you again.

Yours sincerely,

Henry Levitt
