

## WICHITA, KANSAS

January 14, 1942

Mr. Forrest C. Allen  
Director of Physical Education  
University of Kansas  
Lawrence, Kansas

Dear Fogg:

Thanks for your reservation for the University of Kansas basketball team. We will have all rooms in readiness for you when you arrive.

We are making you a special rate of \$1.75 per person or \$3.50 for the room with twin beds. I believe last year we made a rate of 25¢ less, however no use of me going into a lot of detail to tell you of the increased cost of operation and I am sure that 25¢ per person additional will be agreeable with you. This is in line with what we are making all the other teams.

Incidentally, the luncheon for the Wichita University and Kansas University Alumni is being held at our hotel.

Thanks a million and I'll be seeing you.

Cordially yours,

THE ALLIS HOTEL
