Dear Dr. Allen:

I would appreciate any suggestions you have in regard to officials for our game at Wichita on February 2.

I have the following in mind: Parke Carroll, Ted O'Sullivan, Ab Hinshaw, Andy Stardski, Grable Duvall. Would you please check any of these men you would like to have, or supplement any you wish.

I am sorry that I did not get to this sooner, but I will get right out and get these officials lined up at once.

Sincerely yours,

Jack Sterrett
Basketball Coach
