Doctor Dorrest C. Allen,
Director of Physical Education,
Kansas University,
Lawrence, Kansas.

Dear Doc:

I received a letter from E. C. Quigley, in which he states that he will be unable to work the basketball game here on February 2nd, due to a previous engagement. He is working the Kansas State-Nebraska game.

Previously however, Starret on your recommendation had engaged Ted O'Sullivan and Ad Hinshaw for your game. I hope this is satisfactory.

I will not have the management of your game here this year. The school has taken over the management of the game, but I am sure they will fulfill all the terms of your contract. Starret understands that there are to be two games with your A. and B. teams. I hope that you will not be too rough on our boys. Frankly, the team has made a very poor showing this year as you know, and I hope the score will not be too lopsided.

If there is anything in connection with the game that I can do for you please see fit to call on me. I will be looking forward to seeing you again.

Yours sincerely,

by
