Mr. H. P. Iba Director of Athletics Oklahoma A. and M. Stillwater, Oklahoma

Dear Henry,

I regret that my absence from the office has prevented my answering your letter sooner. Sunday I received your special delivery letter enclosing your schedule and thank you for the same.

I regret that we cannot play you on Dec. 9 even though we would like to. Our auditorium has a conflict. The only dates that I can see available are February 20 and 25. We play Oklahoma at Norman on February 27. I am writing Bruce Drake to see if he will change his date to February 28 at Norman. In that case we could play you the 25th.

I just called the Chancellor's office and find that February 25 and 26 are held tentatively by the dramatics department. If they take the 25th then we would have to play you at Stillwater on the 25th and could play you at Lawrence on February 20.

Will you please give me your reaction to these dates or would it be possible to play you between March 6 and 12 or after that?

Sincerely yours,

Director of Physical Education and Recreation Varsity Basketball Coach

You may look for a letter from me in regard to St. Clair's action within the next few days.

Dear Eddie,

Thank you for your communication of the 6th instant. I think it a good idea to let Artie and Reaves handle the situation. I am told that if Abb Curtis has accepted a date with the Southwest Conference that St. Clair will not release him to work one of our games.

So if agreeable with you we'll permit Artie and Reaves to select a man from our selections to work the game.

Dear Ed:

You are scheduled to play Kansas in basketball at Lawrence February 10th. I recently saw Peters. He asked me about your choice of officials and in addition to those I knew I felt you liked the work of Moe Pressly. Has he written to youabout the officials?

Personally, I belive a good procedure to follow when Missouri Valley Schools are playing Big Six Games where the game is on a Big Six court the Commissioner of the Big Six should make the assignments, after consulting the Commissioner of the Missouri Valley Conference as to the preferred list of the Missouri Valley Conference School. This same procedure should be reversed when the game is at a Missouri Valley Conference school.

Fon'f forget the 17 true and false statements you are to prepare for me.

With kind personal regards,

Very truly yours,

Executive Secretary

In visiting with Dr. Allen late in the summer we mentioned officials in the following order: Abe Curtis Ted O'Sullivan Parke Carroll E. C. Quieley Moe Pressly has not worked for us recently and probably should be avoided since he has lived in Omaha. At present he is on the West Coast and it is not known whether he will return. You should have the seventeen basketball questions by this time. Sincerely, E. S. Hickey

Dear "Doc":

We should be greatly interested in scheduling a basketball game, and while we would not be adverse to playing in Lawrence, we would like to have your team as a home attraction during the early part of the week of March 1. This would give us a break in our Conference play before ending the season.

Possibly some other date would suit you better and we would try and work it out, or even as home and home series if your schedule would permit the additional game.
