Dear Dr:

I received copy of your basketball schedule and I am enclosing copy of our schedule.

After checking your schedule against our schedule I find the following possible dates for our games. It would be possible for us to play you on December 9 at Lawrence on our trip East. Other dates are; February 3, January 12, February 20 and February 25.

I would be glad for you to suggest other dates if you do not find the above dates satisfactory.

Sincerely yours,

H. P. Iba
