Dear "Doc":

We should be greatly interested in scheduling a basketball game, and while we would not be adverse to playing in Lawrence, we would like to have your team as a home attraction during the early part of the week of March 1. This would give us a break in our Conference play before ending the season.

Possibly some other date would suit you better and we would try and work it out, or even as home and home series if your schedule would permit the additional game.

I am sorry I didn't get to visit with you in Kansas City. With kindest personal regards, I am,

Sincerely,

*E. S. Hickey*
