

Mr. Henry Iba

Page two

It is not at all necessary that we take it up with our Athletic Board. I referred your letter to Mr. E. L. Falkenstien, the Secretary of our University of Kansas Physical Education Corporation. He is writing you and he speaks for the Athletic Board.

Wishing you a very pleasant summer, and with kindest personal regards, I am,

Very cordially yours,

Director of Physical Education
and Recreation-Varsity Basketball
and Baseball Coach.
