

My notion was that by having a rather early breakfast we could go right on through from 9 o'clock, and after we finish there if our schedule runs on time we would have opportunity for a malted milk in the interim between the showing of the film and the start of the open interpretations meeting.

Will you please write me and let me know if this schedule appeals to you. I will be very happy to have any suggestions, as well as your full cooperation.

With every good wish, I am

Sincerely yours,

Chairman, Fifth District,
Basketball Rules Committee.
