Mr. Forrest C. Allen  
Chairman, Fifth District,  
Basketball Rules Committee.

Dear "Phog.":

I, for one, am very much in favor of a joint meeting between the coaches of the Big Six and Missouri Valley Conference on Saturday December 4, at 11:00 o'clock. Also I will be very interested in seeing the movie talkie on basketball as I do not believe I have ever had the privilege of seeing this particular one.

I hope that such a program as you outlined can be realized and you can count on me.

With kindest personal regards I am,

Sincerely yours,

*Hudson A. Hellmich*
