INTERCOLLEGIATE ATHLETICS

Oct 21, 1937.

Dear Dr Allen:

Your schedule for Dec. 4 is a very attractive one although it might rush us a little. I am voting for it.

With a game here on Saturday night I expect to pull out of K. C. soon after 3:00 p. m., and feel I should not be given any important duties at the open session.

Yours truly,
George.
