Coach Louis E. Menze,
Iowa State College,
Ames, Iowa.

Dear Louie:

I beg to acknowledge receipt of your kind letter of the 7th instant, in which you enclose the basketball interpretations of the Big Six.

There is only one thing that I might mention. I thought our motion was to the effect that we endorsed the Bask-o-Lite goals for the Big Six. Just a little difference in wording, however.

But you are dead right in regard to the exception that if any school does not care to use these goals the home team would install regular goals when that team is playing there. I thought it was put in such a way that the home team would do as the coach of the visiting team asked.

Aside from a typographical error in the spelling of Bask-o-Lite, everything in your report is fine.

Very sincerely yours,
