Dear Phog:

The Guide ought to be out October 1. At any rate that is the date we have been shooting at and the material has been in the hands of the printers long enough to make it possible to hit that date easily. I am not making any promises or guarantees, however.

If you need the rules right away in order to get that traditional wealth of material under way, I think Porter will supply you with a copy of the high school edition. He handled the printing of that himself but made no changes in the rules.

With kindest regards, I am,

Sincerely yours,

Oswald Tower.
