

December 29, 1941.

Mr. Gwinn Henry,
Director of Athletics,
c/o L. L. Baker,
1506 - 4th St.,
Brownwood, Texas.

Dear Gwinn:

As basketball coach at the University of Kansas I desire to confer with the proper authorities regarding the eligibility of Gerald Tucker for participation in basketball for this first semester. As I see it, he is ineligible for participation this first semester.

In yesterday morning's Kansas City Star Dan Partner had purported and reliable information concerning Gerald Tucker's eligibility status. He quoted the Big Six Conference rules to the effect that after four weeks of residence in an institution like Kansas State a player could not transfer to another institution like Oklahoma and be eligible in two semesters as Gerald has done.

Partner states that Tucker was in residence at Kansas State seven weeks before transferring to Oklahoma. Dan further quotes the rule of the Big Six which from any logical process of reasoning this fellow could not be eligible at Oklahoma for the first semester. They have already played him in five or six non-conference games and doubtless are anticipating playing him in the conference games. Their first conference game is against us here in Lawrence on January 6. From all the statements published out of Oklahoma they expect to use him.

Dan also states that this question has been brought before the faculty representatives and the athletic directors, and to date nothing has been done. I certainly do not want to cause you any embarrassment, but I feel that it is the duty of the administrative officers of the Big Six to pass upon this case. I am very sure if Kansas were in the same situation as Oklahoma that Kansas authorities would not permit a violation of this rule for one minute. By the same logical process of reasoning I think it is imperative that our officers call this to the attention of the conference, as I am very sure other members would call the attention of the conference to any infraction that we might make.

21 M 20 L

Other athletes of the Big Six will not hold in high respect the rules of our conference unless they are consistently and obediently lived up to by other members. For that reason I would appreciate your informing me at your earliest convenience if anything has been discussed before the athletic directors regarding Tucker's eligibility or ineligibility, and if it has not been done, then I would like to officially call this to your attention so that something can be put into motion in order that the laws will be obeyed.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

March 23, 1942.

Mr. Gwinn Henry,
Director of Athletics,
University of Kansas.

Dear Gwinn:

I am making an unusual recommendation. Never in all my long experience here at the University as basketball coach have I felt as I do regarding this year's basketball squad.

After having lost the three mainstays of our team last year - John Kline, Howard Engleman and Bobby Allen, we were faced with a situation in which only Ralph Miller, a returning regular, was reasonably sure of his position. I did not see how we could possibly come through to another Big Six championship. Many of the boys were sophomores, and the upperclassmen were men who had not played regularly in the season before. It was only by combined effort and the most unusual morale on the part of many of the substitutes on the team that made the first team what it was.

Many of the strongest men that we had were not regulars. I am speaking now of the ability to build morale and to show sterling character which reflected itself in the play of many of the regulars. I am referring especially to Charles Walker, Bob Johnson, Hubert Ulrich, George Dick, Don Blair, Bob Fitzpatrick, Vance Hall, Paul Turner and Warren Israel.

Last year we recommended Dick Miller for a provisional letter. He has been very loyal in his practice appearance this year, and the fine practice play of Max Kissell sharpened the competitive play of the regulars. It was Paul Turner's field goal in the last 15 seconds against the Kansas Aggies that tied the score and sent it in to an overtime when Kansas won the play-off.

For the regulars, Charles Black, Ralph Miller, John Buescher, Ray Evans, Marvin Sollenberger, T. P. Hunter and Jack Ballard, nothing need be added to garnish the descriptions of the sterling play of these fine boys.

I am recommending that all of the above named boys receive the varsity "K" and the gold basketball, emblematic of the co-championship of the Big Six for 1941-42, as well as being the Fifth District N.C.A.A. champions. The team has made money and has made a fair reputation, considering all things. They are good clean boys off and on the court, and it is my feeling that the University desires such men as these to represent it.

I should also like to recommend a gold basketball for Milton Allen, who served without pay as freshman and assistant varsity coach; also a gold basketball for Dean Nesmith, the trainer, whose devotion to the boys and to the University, and whose technical skill as trainer has done much to bring the championship to Mount Oread.

I also desire to thank my superiors and members of the Athletic Board for their fine cooperation in permitting us to take extra players on the trip to Iowa City and Chicago.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

NOTE TO SPORTS EDITORS: This brochure has been prepared as a basic source of information about the 1942 University of Kansas football team. It will be supplemented by a revised team roster and individual sketches of all squad members during the first week of practice (Sept. 9-16). Additional bulletins will be available throughout the season.

Other copies of this football booklet and additional information, pictures, or special news stories are available upon request.

UNIVERSITY OF KANSAS 1942 FOOTBALL SCHEDULE

<u>DATE</u>	<u>OPPONENT</u>	<u>PLACE</u>
Sept. 18	#Pre-Flight Naval School of Iowa City	Lawrence
Sept. 26	Marquette University	Lawrence
Oct. 2	#Denver University	Denver
Oct. 10	Texas Christian University	Ft. Worth
Oct. 17	*University of Oklahoma (Parents' Day)	Lawrence
Oct. 24	*Kansas State College	Manhattan
Oct. 31	*University of Nebraska (Homecoming)	Lawrence
Nov. 7	Washington University of St. Louis	Lawrence
Nov. 14	*Iowa State College	Ames
Nov. 21	Permanently Open	
Nov. 26	*University of Missouri	Columbia

indicates night games.

* indicates Big Six games.

(Note: The first game on the schedule, Pre-Flight School, is still tentative as to date and place. If the game is played at the above date, it will be played in Ruppert Stadium, Kansas City. Otherwise, it will be Sept. 19 at Haskell Stadium in Lawrence, also at night.)

----- 0 -----

General admission ticket prices for all home games will be \$1.10. Reserved seat prices for all home games, except the Washington U. game, will be \$2.25. The reserved seat price for the Washington U. game will be \$1.65. The price of a football season ticket is \$6.15 and the price of an all-sports ticket, including all home football, basketball, and baseball games and all track events, is \$10.08. These tickets provide reserved seats in football and basketball.

All afternoon football games will start at 3 p.m. The Pre-Flight School game, should it be played in Haskell Stadium, will start at 8 p.m. All requests for tickets or ticket information should be addressed to Earl Falkenstein, Department of Intercollegiate Athletics, University of Kansas, Lawrence, Kansas. For the purchase of tickets, a money order, certified check, or bank draft should be enclosed, made payable to the University of Kansas.

All arrangements for reservations in the press box, including those for the press, wire, or radio operators, should be received by this office by not later than the Friday noon preceding the game in question.

(Note: Pendleton was assigned as Head Linesman for three games but received a captain's commission in the Army recently and will not be available.)

INDIVIDUAL GAME SUMMARY OF 1941 SEASON

TEMPLE 31; KANSAS 9

The Jayhawks outgained Temple (284 to 274 yds. and 16 to 13 first downs) but 3 first-quarter fumbles by K. U. gave Temple 3 touchdowns. Miller (K) completed 13 of 24 passes for 184 yds. Pollom took short pass and ran 26 yds. for score, Miller kicked point. Tomasic (T) scored thrice. Two K.U. drives were stopped within Temple 5-yd. line.

KANSAS 19; WASHINGTON 6

Washington of St. Louis scored first after a deflected pass was completed to set up Schwenk's 7-yd. plunge. Miller ran 48 yds. to score after taking pass from Niblo. Linquist dashed 18 yds. for next tally. Niblo passed 15 yds. to Ettinger for final score.

NEBRASKA 32; KANSAS 0

Nebraska power was too much. Miller completed 13 of 20 passes for 106 yds. for Jays only threat. Bradley intercepted pass, ran 63 yds. to 17 from where Francis went over. Athey, Zikumnd, and Blue (2) completed N. scoring.

MARQUETTE 33; KANSAS 7

Jimmy Richardson's passing was too much for Kansas as he completed 12 of 14 passes. Gibbens scored for K.U. as he took a short pass in the flat from Altman and scampered 46 yds. to score. A Miller-to-Evans passing threat failed by penalty on Marquette's five-yard line.

KANSAS 13; IOWA STATE 0

Kansas' second win of the year came as Niblo ran wild to tally both touchdowns on 4-yd. plunges thru the line in the 1st and 4th quarters. Evans was main ground-gainer with Niblo as K.U. outrushed Iowa State, 191 to 90 yds.

OKLAHOMA 38; KANSAS 0

A red-hot Sooner team trampled K.U. as Jacobs hit line in 1st and 2nd and passed to Golding in 2nd for scores. Haberlein kicked field goal in 3rd and Tyree scored from 6 and Golding from 30 in final 3 minutes. K.U.'s only threat was a 45-yd. pass from Evans which Hagen dropped in the end-zone.

WEST VIRGINIA 21; KANSAS 0

Evans led a befuddled K.U. attack that produced only one scoring drive, down to the 2-yd. line in the 4th. W.V. scored on Schrader's field goal in 1st and plunge in 3rd, and on passes to McElwee and Helinski in 2nd and 4th.

KANSAS 20; KANSAS STATE 16

Evans took 20-yd. pass from Miller to score in 2nd. Wilkins raced 28 yds. to the 8 and Zeleznak passed to Wilkins to tie. Jones plunged from 1 but extra point was blocked. Gibbens, game captain, took kickoff 83 yds. to score and Vandaveer kicked point. Williams kicked Aggie field goal from 20. Miller passed 19 to Gibbens who ran 13 for final score with 3 minutes to play.

MISSOURI 45; KANSAS 6

M.U. scored at will as Ice scooted 47 yds. and lateralled to Brenton who ran 3 for score. Steuber ran 47 to 3, then over. Ice ran 56 and Steuber 55 to score. Miller intercepted lateral and ran 21 for K.U.'s score. Wade from 23, Adams from 1 and Flavin passed 45 to Morton for final 3 scores.

FOOTBALL COACHING STAFF

Head Coach — Gwinn Henry

Assistant Coach — Vic Hurt

Freshman Coach — Wayne "Bill" Replogle

Trainer — Dean Nesmith

----- O -----

Gwinn Henry
Head Football Coach

This fall Henry begins his fourth year as head football coach at K.U. and his sixth year as director of athletics. Born at Eden, Texas, August 5, 1887. Took his high school work at the Academy of Howard Payne College in Brownwood, Texas. Played two years of football there.

Following this, Henry entered the college and played two years of football for Howard Payne. He then moved over to Southwestern College and played a year there. This was followed by two more years on the gridiron at Howard Payne. In addition to playing football, Gwinn also competed in baseball and track. Although he was an all-star end at Howard Payne, Henry was more of a national figure in track.

At Howard Payne he ran the 100 yard dash in 9.6 seconds, the 220 yard dash in 21.2 seconds, threw the discus 145 feet and the shot put 42 feet, all of these marks being Texas records at the time.

In 1910 and 1911 Henry ran for the Irish-American Athletic Club of New York of which Lawson Robertson was coach. Gwinn set a world record for the 125 yard dash at 12.2 seconds. In addition, he equalled the world record of 10.8 seconds for 110 yards and the mark of 7.4 seconds for 75 yards indoors. He was selected on the All-American track team in the 100 yard dash by Robertson and James E. Sullivan. After winning all of his races in 1911, Henry was named for the 1912 American Olympic team without competition, but was unable to run in the Olympics because of illness.

In 1911 Henry coached at Oklahoma Baptist University, which was located at Blackwell at that time. It now is at Shawnee. In 1913-14-15 he coached at his alma mater, Howard Payne. The 1916-17 school year found Henry at the Georgia Military School as track coach. He returned to Howard Payne the summer of 1917 and got his degree.

Henry first came into the coaching limelight in this section at the College of Emporia. He went to Emporia in the fall of 1918 and immediately began turning out sensational teams. In five years his Emporia teams lost only three games.

From Emporia Henry went to the University of Missouri in the fall of 1923. After a mediocre year in which he built the foundations for great teams, Henry got the Tigers rolling in 1924. That year and during the following three, Missouri won 25 games, lost only 6 and tied 3. The Tigers won the conference championship three of those four years. Outside the conference they defeated Northwestern, Chicago, and West Virginia, among others, in addition to tying Tulane and Southern Methodist. Henry's championship teams were in 1924, 1925, and 1927.

Nebraska had been the bane of the Tigers' existence before Henry went to Columbia, but Gwinn ended that in a hurry. His first year at M. U. the Tigers tied Nebraska, and three of the next four years they beat the Huskers. The Cornhuskers beat the Notre Dame Team which boasted the "Four Horsemen" and they downed Illinois when "Red" Grange was playing, but those Nebraskans could not beat Henry's Missouri teams.

After winning the conference title in 1927, the Tigers tied for second with Oklahoma in 1928 and took undisputed runnerup honors in 1929. The following two seasons, 1930 and 1931, Henry was struck down by illness and could be with his team only part of the time. The Tigers lost as many games in those two years as they had

in the previous seven years under Henry. In 1931 Missouri won only two games and lost eight.

This brought to an end the nine-year Henry regime at Missouri. In the fall of 1933 Gwinn returned to coaching as head mentor of the St. Louis Gunners, an independent professional team. The Gunners were given no consideration at all in pre-season dope on professional teams. However, the team astounded everyone by roaring through a 16-game schedule with only two defeats. They topped off the surprises by tying the national professional champions, the Chicago Bears. Other professional league teams which they defeated included the Chicago Cardinals and the Brooklyn Dodgers. Their only defeats were at the hands of the Green Bay Packers and the Cincinnati Reds.

This season was followed by a return to the section in which he spent his youth, the Southwest. Henry went to the University of New Mexico as director of athletics and head football coach. This was in the fall of 1934 and his first team at New Mexico won the Border Conference championship. Henry continued coaching at New Mexico until the fall of 1937 when he came to the University of Kansas as director of athletics. He became head football coach in 1939, succeeding Ad Lindsey.

Gwinn is married and is the father of two children, a married daughter, Julie, and a son, Gwinn III, who is a freshman in high school.

Victor C. (Vic) Hurt
Assistant Coach

Vic Hurt goes into his fourth season as a member of the K.U. coaching staff this fall. He was born March 13, 1899, at Oakland City, Ind. His family moved to Oklahoma when he was about five years old and then a few years later moved to Kansas. Vic attended high school at Neosho Rapids for two years and then went to Americus High School one year, graduating at Americus in 1916. There was no football team at Neosho Rapids, but at Americus he played center and guard on the football team, as well as competing on the basketball and baseball teams.

After graduating from Americus High, Hurt entered College of Emporia. He played three years of football there, the last two, 1918 and 1919, under Gwinn Henry, whom he is now serving on the Jayhawk coaching staff. Both of those years the Henry-coached teams on which Hurt played were undefeated. Vic played center in football. He also lettered in basketball and track at C. of E., graduating in 1920.

Hurt began his coaching career at Coldwater High School in western Kansas. After two years there he coached one year at Topeka High School. Following this brief stay at Topeka, Vic went to Oklahoma Baptist University in 1923 as director of athletics and coach of all sports. He was at O.B.U. eleven years and made an enviable record there. His football teams won three championships and there was one five-year stretch where Oklahoma Baptist did not lose a single game at home.

In 1935 Hurt went to Southern Methodist University as assistant to Coach Matty Bell. That year the Mustangs had the best football team in the history of the school. They were undefeated during the regular season and played in the Rose Bowl against Stanford.

On the basis of his record at S.M.U. and O.B.U., Vic was hired by Tulsa University in 1936 as head football coach. During the three years he was at Tulsa, Hurt's teams won the Missouri Valley conference championship every year. His Tulsa teams won better than 75 per cent of their games and lost only four of their first 19 games. In 1937 Tulsa tied Rice, the Southwest Conference champions of that season.

Vic is married and is the father of four children, three girls and a boy.

Wayne "Bill" Replogle
Freshman Coach

Wayne Replogle is the most recent addition to the Jayhawk coaching staff, coming to the University in the fall of 1940 as freshman coach. He was born April 11, 1904, at Anthony, Kansas. "Rep" attended high school at Coldwater, Kansas, amassing a total of 15 letters in athletics there. He competed in football, basketball, baseball, and track.

From Coldwater High Replogle went to College of Emporia, where he played under Gwinn Henry. Wayne was a sensation in football and is listed on the all-time C. of E. football team at fullback. He also starred in track, competing in the pole vault and weight events. He graduated from the Emporia school in 1926.

In the fall of 1926 Replogle became coach at the Converse County High School in Douglas, Wyo., and was there two years. He switched the scene of his endeavors to Pikeville, Ky., in the fall of 1929. He had championship football teams during both of his two years there.

From Pikeville, Replogle went to Elgin Academy in Elgin, Ill., as head coach and director of athletics. He held those positions from 1931 until 1940. During the nine years at Elgin his teams won a number of championships in all sports.

Each summer for a number of years, Wayne has worked as a ranger in Yellowstone Park. He holds a commission as a Kentucky colonel and indulges in oil painting as a hobby. He is a brother of Max Replogle, who starred at halfback for Jayhawk teams during the seasons of 1936-37-38. "Rep", who is married, will serve as chief scout for the Jayhawkers this year.

Dean Nesmith
Trainer

This fall will mark the fifth year that Dean Nesmith has been fulltime trainer for all athletic teams at the University of Kansas. Dean was born Feb. 11, 1914, at Belleville, Kan. He attended high school at Belleville and lettered in football and basketball three years each. His high school coach was Arlie Hainline. He came to K. U. in 1932 and lettered as a tackle in football in 1933, '34, and '35.

During his college days Nesmith took training under Dr. F.C. "Phog" Allen to fit himself as an athletic trainer. Upon his graduation he became assistant trainer to Elwyn Dees and in 1938 he was made full-time trainer. Nesmith is very popular with all members of K.U.'s athletic teams. He is married and has one son.

1942 KANSAS FOOTBALL PROSPECTUS

A strong line with a questionable backfield is the setup that Coach Gwinn Henry will have to contend with this Fall as he starts his fourth year as head mentor at Kansas. This situation, however, might well produce the strongest K.U. eleven since 1933.

Thirteen lettermen from last year's squad have been lost by graduation or entry into the Armed Services. Greatest losses were in the backfield where all-conference Ralph Miller and regulars Don Ettinger and Ray Niblo have departed, leaving only Ray Evans to carry the burden. Three other backs who lettered will return but none are sure of winning a starting berth.

Linguist might easily fill the fullback spot but his eligibility is doubtful. Altman worked as regular quarterback during Spring practice and showed up exceptionally well. The other letterman, Hayden, will probably see only part-time service as a passing threat.

To complete the backfield, Henry must depend upon his capable crop of sophomores. Best of the lot is scat-back Gene Roberts who will team with Evans at the half-back posts. Upon Evans will fall the brunt of the team's punting and passing as well as being the Jayhawk's ace runner.

The fullback position will fall to either Conley or Palmer, two sophs who showed up well last Fall on the yearling team. Other backs of better than average ability who will break into the line-up frequently are Hoyt Baker, Don Comeaux, Kenny Thompson, and Dick Miller.

Henry can well afford to smile when he views six returning lettermen in the line. The tackle position is best fortified with Hodges, and Long back to fill these spots. Added to this group are two-year squadman Hunter and two sophs, Channell and Monroe, who both tally above the 200-lb. mark.

At guard Joe Crawford is the lone veteran returning but Long will probably shift to guard this fall, a spot he practiced at during the Spring. Right behind this pair are sophs Herron and Johnson who caused plenty of misery to the varsity last Fall while on the Frosh squad. Squadmen Svoboda looked strong in Spring practice and may surprise with a starting berth.

The center slot is also well-filled with two lettermen returning and Henry's ace in the hole, a sophomore named Penney. Githens was regular snapper-back last season but during Spring practice Penney supplanted him by exhibiting a world of drive and ability. He is rated the best of the entire freshman crop. A third center is Sheridan, former all-state high school star, who lettered in 1940 but laid out of school last year.

The end spots are doubtful but not much cause for worry. Hardman will return to take over his regular flank position but the other end is still in question. Letterman Dick would fill the bill nicely but an injured knee may not stand up under a full-season grind. Backing up this duo are three sophs, Brill, Zimmerman, and Schnellbacher, all of potential greatness. Another man who may surprise if given a chance is squadman Paul Turner.

The Jayhawkers practiced the "T" formation to a considerable extent last Spring and will combine that type of attack with Henry's "spinner wing" offensive this Fall. This should provide a wide-open style of play and make the Jayhawks a constant threat during the season.

1940 Letterman Returning

* Walt Sheridan	Center	Emporia
-----------------	--------	---------

1941 Lettermen Returning

* Harlan Altman	Quarterback	Wellington
* Joe Crawford	Guard	Kansas City
* George Dick	End	McLouth

Key to Symbols

* indicates each major letter won in football at the University.

"Exp." indicates number of full seasons athlete has been member of Kansas varsity but does not necessarily mean that he has had game experience for that many years.

Personal Sketches on Returning Lettermen

(Note: A complete booklet of personal sketches on every member of the Fall football squad will be issued September 20.)

ALTMAN, Harlan Cribbs, jr.; Wellington, Kansas

Age 20 Wt. 150 Ht. 5'11" Senior

QUARTERBACK

Letterman '41

Graduate of Wellington High School where he played under Coach "Monk" Edwards. Lettered two years in football as a blocking back. Started strong in 1940 but broken ribs knocked him out for season. Last year he did not see too much action but went great guns during Spring practice and should start this Fall. His father was a sensation in football at College of Emporia. Member of Beta Theta Pi fraternity.

CRAWFORD, Joe Henry; Kansas City, Kansas

Age 20 Wt. 192 Ht. 6'1" Junior

GUARD

Letterman '41

Graduate of Wyandotte High School in Kansas City, where he played under Coach Ed Ellis. Previous to his senior year, had played his high school football at Dixon, Ill., lettering one year there. An excellent downfield blocker, he was No. 1 guard substitute last year. Has added weight to practically cinch top guard spot. Member of Pi Kappa Alpha fraternity.

DICK, George; McLouth, Kansas

Age 23 Wt. 178 Ht. 6' Junior

END

Letterman '41

An exceedingly doubtful quantity before actual play starts. Not highly regarded at the start of last season, he came on rapidly and started several games at the last of the season. His forte was defense but he also proved a threat as a pass-catcher. While lettering on "Phog" Allen's championship basketball team last season he re-injured the cartilage in his leg and this necessitated an operation, keeping him from Spring practice. He should start as a regular this Fall if his knee holds up.

EVANS, Ray Richard; Kansas City, Kansas

Age 20 Wt. 187 Ht. 6'1" Junior

HALFBACK

Letterman '41

Graduate of Wyandotte High School in Kansas City, where he played under Ed Ellis and the late Percy Parks. One of the greatest athletes in Wyandotte's brilliant athletic history and the same prospect is in store for him at K.U. One of the best soph athletes in country last year. Was regular on both football and basketball teams and undefeated as pitcher on champion softball intramural team. Best blocker and tackler on team, will punt and pass this Fall. Very dangerous as open-field runner. Works as hard as any sub in practice, very popular. Member of Phi Delta Theta fraternity.

GITHENS, Robert Forrest; Fredonia, Kansas

Age 24 Wt. 200 Ht. 5'11" Senior

CENTER

Letterman '41

Graduate of Fredonia High School where he was coached by Cecil Pryor. Lettered three years in football there. Later attended Independence Junior College two years, being named all-state junior college center in 1939. Bob was regular center the greater part of last year, alternating with Hardman until latter was transferred to end. Sophomore Penney will probably supplant him this year, possibly making Bob move to guard.

HARDMAN, Paul Albert; Topeka, Kansas

Age 21 Wt. 185 Ht. 6'1" Senior

END

Letterman '40 and '41

Graduate of Topeka High School where he played under Coach "Buck" Weaver. Lettered two years in football and three in track. Played guard as a freshman at K.U., shifted to end and in starting lineup several times in '40, shifted again to center last year and once more made starting lineup, and then wound up season as regular end. Improved greatly last fall, has a world of aggressiveness, should be strong regular.

HODGES, Warren Dudley; Lawrence, Kansas
Age 19 Wt. 210 Ht. 6'1" Junior

TACKLE
Letterman '41

Graduate of Lawrence High School where he played under Coaches Edd Wood and Elmer Schaake. Graduated from high school at age of 15 and then laid out a year before enrolling at the University. Rated as the outstanding soph lineman at the start of last season, he crashed the starting lineup and retained this spot all season. Strong as a bull and with a devastating charge, he learned a lot last year and should now be doubly tough.

LINQUIST, Edwin Ray; Kansas City, Kansas
Age 22 Wt. 185 Ht. 5'10" Senior

FULLBACK
Letterman '40 and '41

Graduate of Shawnee Mission High School in Merriam where he played under Coach Harold Reade. Lettered in football, basketball, and track. Won a K.U. freshman numeral in 1938 and then laid out of football the following year. Has been second string fullback for two years and this year has a chance to crash starting line-up if he is eligible. A good plunger and line-backer. He is a member of Tau Kappa Epsilon fraternity.

LONG, Eugene Virgil; Pleasanton, Kan.
Age 22 Wt. 201 Ht. 6' Junior

TACKLE
Letterman '41

Graduate of Heavener, Okla., High School where he was coached by Richard Swink. Lettered four years in football there and also lettered in track. A part Indian, Gene is a big boy who can run and who boasts a powerful charge. Earned frosh numeral at guard but lettered at tackle last season. One of three soph tackles who alternated in starting line-up, he gained valuable experience; may be shifted to regular guard this year.

SHERIDAN, Walt; Emporia, Kansas
Age 20 Wt. 182 Ht. 6'1" Junior

CENTER
Letterman '40

Graduate of Emporia High School where he was named to the first all-state interscholastic football team in 1938. Earned frosh numeral at K.U. in 1939 and lettered as third-string center in 1940. Laid out of school last year to work. Returns this year with plenty of first-class competition ahead of him. Coaches might decide to shift him around, but always a top-notch sub. A member of Sigma Alpha Epsilon fraternity.
