Mr. Oswald Tower,
Editor, Rules Guide,
Andover, Mass.

Dear Os:

It was good to see you and have a visit with you, although our exchange of courtesies was naturally brief, due to our rush.

Os, you mentioned several slight corrections that you had noted while scanning through my basketball text, Better Basketball. I am wondering if you would be good enough to jot down these discrepancies that you have noted so that we could send the corrections to our publisher. I will appreciate it very, very much.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
