My Dear Doctor:

Here I am scratching my dandruff and let me say that this Basket Ball situation is enough to make a man dig hard with his fingers.

I haven't seen a game this year, but expect to inaugurate the season with you Saturday Night. We have an exceptionally fine game in the new Coliseum scheduled for Friday Night with El Reno and Central of Oklahoma City as principals. El Reno's champion 5 is held over intact.

I wish you could come down Friday if possible, otherwise, I will see you Saturday and settle all of the grave problems which have escaped our attention since I had the pleasure of last seeing you in your home.

I hope you and your boys don't take this game Saturday Night lightly as the Sooners expect to get on their horse and ride all over the court. It looks like Mr. Johnson's youngest son is really going this year and I hope he gives us some satisfaction Saturday.

Yours until then,

COB

Seriously, Doc, I think your boys should dedicate this game to Mrs. Johnson and see to it that this dear old lady sees her son in one - and this his last - game at Norman on the long end. What do you & the boys say?
