Dear Bus:

I am happy that you reserved the date of March 15th for the auditorium for the Big Six-Missouri Valley play-off. What a battle that Aggie game will be down at Norman!

I don't believe we have enough power to take the Aggies and the Sooners on their respective courts. They are both double tough. With that Indian razy-dazzy music and the swing of that crowd it makes you dizzy. But you know we have won one or two ball games away from home. But it is tough to go into Soonerland and knock them off - and the record speaks for itself at Stillwater.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
