February 6, 1940.

Dr. F. C. Allen,
University of Kansas
Lawrence, Kans.

Dear Dr. Allen:

The 15th of March has been reserved at the Auditorium for the Big-Six-Missouri Valley play-off.

Everybody in town already is discussing the possibility of another meeting between the Sooners and Aggies, so I am sure it will pay out handsomely, if they should be so fortunate as to go through.

By George, you certainly came close to predicting the result of the Missouri-Nebraska game! How about your games with Oklahoma and the Oklahoma Aggies coming up?

Thanks for your efforts in our behalf.

Sincerely,

BUS HAM
SPORTS EDITOR.
