Dear Doc:

By gosh, you still are all right in my book! I was confident that you would do the fair thing by us.

I feel greatly relieved by learning that you will go to bat for us in event our Oklahoma teams qualify for the play-offs. That is all we ask.

My heavens, what a team you must have to drub Bruce's boys the way you did! We thought O U had a fair club.

I'll see you when you play the Aggies in Stillwater. That should be tops for the season.

Thanks, and good luck.

Sincerely,

BUS HAM  
SPORTS EDITOR.
