Mr. Bus Hsn,
Sports Editor,
The Daily Oklahoman,
Oklahoma City, Okla.

Dear Bus:

I am rather interested to know what the committee did in their study on the plan that they were working on for the elevation of seats in the Municipal Auditorium in Oklahoma City.

I would like to set up a definite program rather early so that whoever wins the Big Six and Missouri Valley championships next year can make arrangements very speedily in deciding the play-off.

As I told you, I am committed to playing the district play-off in Oklahoma City if the Oklahoma teams win either the Big Six or the Missouri Valley. Oklahoma City seems to be the logical place if either one of the Oklahoma teams wins. Of course, if Missouri should win and Missouri should decide to enter a tournament, they doubtless will put on the pressure to have the games played in Kansas City. However, so far as I am concerned personally, I am going along with the people who carried through on the first one. I may meet tremendous opposition, but I want to begin planning and if the committee at Oklahoma City has done anything on the floor then we can begin planning to put our tournament on at that location early enough so that the repercussions from someone else will not be so forceful.

I would like to hear from you, Bus, at your convenience.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
