Mr. John F. Lance,
Coach of Basketball,
Kansas State Teachers College,
Pittsburg, Kansas.

Dear John:

If it is agreeable to you we would be happy to meet you at the University of Kansas on Monday, January 3rd, soon after the Christmas holidays. We play the University of Missouri at Columbia on January 8, and we would like to meet you here in Lawrence on the 3rd.

I noticed where the Kansas Aggies are going to play basketball. The coaches met and made a double round robin schedule without Kansas State in the picture since they had decided not to play; but now it will be necessary for us to meet again and draw up a new schedule. However, I am very sure that January 3 or 4 would suit us here if agreeable to you.

As I told you, we do not want to travel any more than possible but if we find later this year that we can play you at Pittsburg we will endeavor to work it in. However, we are playing a great many service teams in a close radius around Lawrence, and this will account for many of our games.

We will give you a guarantee which will cover your expenses. Will you give me an estimate of what you think would be necessary for your team?

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
