Dear Dr. Allen:

On checking over our basketball schedule, I find that our game at Lawrence Tuesday February 1st, is only tentative.

I just received communication from our Commanding Officer of V-12 stating his wish that no basketball games be scheduled on Tuesday and Thursdays nights. Would it be possible to change the date at Lawrence to Monday, Jan. 31st ?

Will the following officials be okay with you - Mike Oberhelman and Cecil Peterson. If they are, I will contact them immediately.

Sincerely yours,
