Dr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Sir:

Your letter of 20 October received.

I believe it best if we arranged our games on a home and home basis, with each team taking care of their own expense.

In regard to our game at Lawrence on 1 December, we will either travel by rail or automobile, leaving here in sufficient time to play the game there and returning the same night. Since we are approximately one hundred and ten miles apart, the distance involved is negligible.

We have open dates here on 28 December and 4 January both Tuesdays and would like to have you take your choice of either.

It is safe to presume that a majority of our home games will be played at the Gymnasium on the Base, which is of regulation College dimensions.

Trusting that I may hear from you about the 28 December or 4 January dates,

Sincerely yours,

VINCENT J. HOGAN
