Mr. Clyde Baker,
Municipal Auditorium,
Kansas City, Mo.

Dear Clyde:

Mr. Harry Morrow, sports editor of the Lawrence Journal World, wants six tickets for our games in Kansas City this week. You will know the kind to give him. Mail them to him at the Lawrence Journal World, Lawrence, Kansas, for both Wednesday and Thursday nights - six each, or if you want to send the six for Thursday night a day later that will be all right. You handle it, and I know he will appreciate it.

Also, will you kindly take care of my good friends Lacy Haynes, Tom Van Cleave, Maurice Breidenthal and Dr. Don Carlos Peete. If he calls, tell Dr. Peete that I will be up Wednesday on the 12 o'clock train and will see him Wednesday afternoon. Tell him that he will have some tickets with our family.

Very sincerely yours,
