Captain Ronald I. Sieben, F. A.,
Chief, Special Service Branch,
Fort Leavenworth, Kansas.

Dear Captain Sieben:

Just a note to tell you that we expect to be at the Leavenworth High School gymnasium ready to play at 8:45 or 9 o'clock on Tuesday, the 15th. We will be very happy to accept your kind invitation to dine with you after the game at your service club. It is very kind of you to ask us.

Our team is not doing exceptionally well, showing a little improvement, but we are happy to know that there is a slight improvement. I am sending you the names and numbers of the players for your program. The first twelve or fourteen are the regulars. You doubtless can see by our line-up the men we generally play, but we are sending these names because it might be possible that they may come with the group.
