Dear Sir:

We are going to have a fairly good basketball team here at Fort Leavenworth, Kansas this season which will be made up of players from various organizations here on the post. Many of these boys were former college players in this area. If your schedule has not been completed we would like very much to have you notify us of available dates for home and home games.

Since our facilities to handle large crowds at games here are limited, negotiations are under way with the high school officials to use the gym in the city of Leavenworth which is adjacent to the post.

We would also appreciate any suggestions from you concerning the basis upon which you would play here and the conditions suitable to you for our appearance on your court.

Sincerely,

RONALD I. SIEBEN
