

October 21, 1943.

Mr. Lew Lane,
Athletic Director,
Rockhurst College,
Kansas City, Mo.

Dear Lew:

I have just received a letter from Clarence Hoff stating that the Boy Scouts have taken both dates, December 3 and 4, but we have asked that the 11th be held for us. Therefore, if agreeable to you we will play you in Kansas City on the 11th, and in Lawrence on the 13th.

I recognize the fact that these dates are very close together but we had already scheduled a game with Marty Peters of the U. S. Naval Air Station, here on the 15th and our Christmas vacation starts on the 18th. So it would not be possible to get you in here before the Christmas vacation.

The reason why I thought it best for us to play in Kansas City first is that we could draw a much better crowd with your alumni and ours if we had not met previously. So while these are close together, I believe it is best we can do under the conditions, don't you think?

Our games here start at 7:30 p.m.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
