Mr. E. S. Hickey,
Basketball Coach,
Creighton University,
Omaha, Nebraska.

Dear Eddie:

I have had quite a bit of correspondence with Tony Kinkle, of the Great Lakes Training Station, and we are tentatively planning to play in Kansas City on January 29 or 30 with the Great Lakes team. This is a pretty good money game, and I would rather utilize those dates with them if we can arrange some others with you.

I quite agree with you that since we are playing Iowa State here on February 6th, and you finish two games in Oklahoma ending the 6th, that perhaps February 8th would not be as advisable a date for both of us if we can arrange some other more satisfactory time. I will have three or four of my boys on the football team next year and they will be my top liners, but I still believe that we should play one of our games before Christmas. Our examination schedules and our individual schedules make it pretty difficult for us to arrange a game at a time most satisfactory for both of us.

How would the dates of December 15 or 16 suit you at Lawrence, and February 2 at Omaha? We are not permitted to play here after the 16th on account of the preparation for and the giving of the University Vesper religious service on the 20th. We play Iowa University here on the 21st. I notice that you are playing Oklahoma A. & M. at Stillwater on the 5th. The 2nd would be Tuesday and since we are playing perhaps a couple of games on the 29th and 30th of January, February 2 would give us enough rest between those two games and would still give you three days between our game and your A. & M. game at Stillwater.

I have studied our respective schedules and since we do not end our games until March 6 and you end yours on February 27, I do not see how we can get any games in at the fag end of the season.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.
