Basketball Coach,
Creighton University,

Dear Eddie:

Thank you for your letter of the 2nd instant, enclosing a copy of your schedule.

I had written to Rollie Williams suggesting that we play our game with Iowa before his conference schedule starts. I don't know what he will do, but I want to get that date cleared up first, if I can, because there is always difficulty in getting a Big Ten team on the dotted line when they are to play a return game.

In case that doesn't happen, what would you think of playing one of two games prior to the Christmas holidays? We could play either at Creighton or at Lawrence. What is your contemplated early season schedule? I don't want to crowd too many games in during our playing season if we could get one or two played early. I have often suggested to our Big Six members that we play some games before Christmas in our conference, but I can never quite get them to agree.

If you will send me your examination dates - when you cannot play - that will help me in picking dates.

We have discussed tentatively January 30 for our date with the Great Lakes team. February 8, the other date you suggest, would be all right for Lawrence, I think, as we are playing Iowa State two days before, but I do not think it would interfere in any way. This Great Lakes game may not work out, but if we could wait a little while until we get some word from Iowa we will try to work it out.

I am sure we can get together satisfactorily on dates.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
