

December 3, 1942.

Mr. E. G. Schroeder,
Director of Physical Education and Athletics,
State University of Iowa,
Iowa City, Iowa.

Dear Mr. Schroeder:

I am acknowledging belatedly your communication of the 19th ultimo in which you informed me that you found it necessary to cancel the contract for basketball game to be played here on December 21. Of course that is entirely within the province of the Director, but we are traveling to New York City and back without using Pullman.

Mr. Eastman has never asked the athletic teams to cancel athletic trips. However, since the directors have taken the action that they did there is nothing else to do. The lack of finances is the cause of curtailment in football. Personally, I can see no good explanation founded upon logical reasoning for this action.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
