Dear "Doc":

I wish to acknowledge receipt of your letter of May 26th and the enclosed contract for our games next winter.

We are looking forward to a full program but realize that there is a strong possibility of considerable curtailment on account of war conditions.

Please let me know your suggestions for officials and I will also advise you of the men who will be available in this area as soon as it is known. I suppose we should then leave the details of securing assignments to the two commissioners.

We are most happy to have these dates closed and shall look forward to having your team play in Omaha again as well as to the enjoyable game at Lawrence.

With kindest personal regards and best wishes for the summer, I am

Sincerely yours,

E. S. Hickey
